

EMERGING ISSUES IN NEUROTOXICOLOGY

November 18 – 21, 2002 • The Peabody Hotel • Little Rock, Arkansas

Dear Student Award Committee Member:

Thank you for agreeing to participate on the Student Award Committee. We are confident that you will find this exercise rewarding and stimulating.

In evaluating and judging the best papers presented by a pre-doctoral or postdoctoral student please consider:

- The papers are judged from posters on November 20, 2002 from 7:00 - 9:00 p.m.
- Originality, significance/ hypothesis, presentation material and style, as well as the knowledge of the subject should be considered in judging the papers.
- Competing students are expected to give an overview of their work in 2-3 minutes to the judges followed by a brief set of questions and answers.
- Please consider in your evaluation the seniority of the student. It might be difficult to compare a second year student to a graduating student.
- Please evaluate the presentation on a scale of 100 (evaluation form follows)

EMERGING ISSUES IN NEUROTOXICOLOGY

November 18 – 21, 2002 • The Peabody Hotel • Little Rock, Arkansas

EVALUATION FORM

EVALUATION CRITERIA FOR STUDENT AWARD

Pre Doc _____

Post Doc _____

Presenter: _____
