

You are Invited to Submit a Paper ...

for inclusion in the peer-reviewed special issue of *NeuroToxicology* devoted to papers presented at the *Twenty-Fourth International Neurotoxicology Conference* entitled:

Environmental Etiologies of Neurological Disorders

Every participant presenting a paper at this Conference - from platform or poster - is encouraged to submit a paper for inclusion in the proceedings that will be published in a special issue of the international journal *NeuroToxicology*. Your paper may be Original Research, a summary of your presentation, a Review, a Brief Communication or a Commentary.

A "Guide for Authors" is in the Packet and detailed on <http://ees.elsevier.com/neutox/>. Go to Author Gateway, register, and follow the directions to upload your paper. Be sure to specify in the comments or cover letter to the editor that your paper is for the 24th Int'l Neurotoxicology Conference (NTX XXIV) special issue.

The length of your paper may be as long as necessary to present and support the data; 15-20 typewritten pages are average). Papers will be rapidly peer-reviewed. All papers will be typeset in regular journal format and all figures, tables and photographs or half tones must be of high quality for publication.

Please note that the submission of a manuscript is not a guarantee for acceptance for publication in the journal, as all manuscripts will be subjected to peer review. Authors may be requested to provide a list of potential referees.

THE DEADLINE FOR RECEIPT OF MANUSCRIPTS IS: FEBRUARY 1, 2008

Please include the following in your manuscript:
