

## List of Themes and Peer-Reviewed Publications in the *International Neurotoxicology Conference Series*

1<sup>st</sup> International Neurotoxicology Conference, Chicago, Illinois. Sept. 21-27, 1982. **Neurotoxicology of Manganese: Clinical and Experimental Research Advances**, ed: J Donaldson, JM Cranmer and DG Graham, *NeuroToxicology* 1984; 5(1)

**Mechanisms and Manifestations of Tin Neurotoxicity**, ed: MR Krigman and JM Cranmer, *NeuroToxicology* 1984; 5(2)

**Neurotoxicology of Lead: Reviews and Recent Advances**, ed: DE Woolley, JM Cranmer, *NeuroToxicology* 1984; 5(3)

**Mechanisms and Manifestations of Chlordecone Neurotoxicity**, ed: D Desaiiah, HA Tilson and JM Cranmer, *NeuroToxicology* 1985; 6(1)

2<sup>nd</sup> International Neurotoxicology Conference, Chicago, Illinois. Sept. 11-15, 1983. **Neurofilamentous Axonopathies**, ed: HE Lowndes, DG Graham and JM Cranmer, *NeuroToxicology* 1985; 6(4)

3<sup>rd</sup> International Neurotoxicology Conference, Little Rock, AR. Sept. 9-12, 1984. **Pyrethroids and Neuroactive Pesticides**, ed: T Narahashi, JM Cranmer and DE Woolley, *NeuroToxicology* 1985; 6(2)

4<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR, Sept. 9-13, 1985. **Neurotoxicology in the Fetus and Child**, ed: HA Tilson and JM Cranmer, *NeuroToxicology* 1986; 7(2)

5<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Sept. 28 - Oct. 2, 1987. **Cognitive Dysfunction in Children and Adults: Clinical and Basic Science Issues**, ed: SB Sparber, JM Cranmer, HA Tilson, *NeuroToxicology* 1988; 9(3)

6<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Oct. 10-14, 1988. **Drug Abuse and Brain Development**, ed: JM Cranmer, RC Wiggins. *NeuroToxicology* 1989, 10(3)

7<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Sept. 18-21, 1989. **Neurotoxicology and Risk Assessment**, ed: JM Cranmer, CA Kimmel, LW Reiter, W Slikker, Jr and HA Tilson, *NeuroToxicology* 1990; 11(2)

8<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Oct. 1-4, 1990. **Role of Toxicants in Neurological Disorders**, ed: JM Cranmer, WK Anger, KR Reuhl, W Slikker Jr, HA Tilson, MA Verity, B Weiss, *NeuroToxicology* 1991; 12(3)

9<sup>th</sup> International Neurotoxicology Conference. Little Rock, AR. Sept. 22-25, 1991. **New Dimensions of Lead Neurotoxicity: Redefining Mechanisms and Effects**, ed: JG Pounds, DA Cory-Slechta and JM Cranmer, *NeuroToxicology* 1992; 14(2,3)

10<sup>th</sup> International Neurotoxicology Conference. Little Rock, AR. Sept. 28 - Oct. 1, 1992. **Mechanisms of Developmental Neurotoxicology**, ed: LG Costa, JM Cranmer, DA Fox, GJ Harry, KR Reuhl, W Slikker Jr., HA Tilson, MA Verity, *NeuroToxicology* 1994;15(1)

11<sup>th</sup> International Neurotoxicology Conference. Little Rock, AR. Sept. 26-30, 1993. **Drugs of Abuse and Developmental Neurotoxicity: Cocaine, Alcohol, PCP and Amphetamines**, ed: JM Cranmer, *NeuroToxicology* 1995; 16(1)

12<sup>th</sup> International Neurotoxicology Conference. Hot Springs, AR. Oct. 30 - Nov. 2, 1994. **Methylmercury and Human Health**, ed: JM Cranmer, K Mahaffey, C Shamlaye, M Aschner, T Narahashi, R Amler, A Verity, S Gilbert, *NeuroToxicology* 1995; 16(4)

**Neurotoxicity of Mercury: Indicators and Effects of Low-Level Exposure**, ed: JM Cranmer, RW Amler, TW Clarkson, SE Gilbert, DC Rice, W Slikker Jr, B Sonawane, HA Tilson, MA Verity. *NeuroToxicology* 1996; 17(1)

13<sup>th</sup> International Neurotoxicology Conference, Hot Springs, AR. Oct. 29-Nov. 1, 1995. **Developmental Neurotoxicity of Endocrine Disrupters: Dioxins, PCBs, Metals, Pesticides, Psychoactive and Therapeutic Drugs**, ed: JM Cranmer, D Desaiiah, BA Weiss, DC Rice, RM Joy, GW Lambert, WJ Rogan, W Slikker, Jr., HA Tilson, *NeuroToxicology* 1997; 18(2)

14<sup>th</sup> International Neurotoxicology Conference, Hot Springs, AR. Oct. 13-16, 1996. **Neuroimmunotoxicology. Immune and Nervous System Responses to Environmental Toxicants: Parallels, Intersections and Interactions**, ed: JM Cranmer, S Griffen, W Purcell, D Desaiiah, B Johnson, *NeuroToxicology* 1998;19(2):253 – 312

15<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Oct. 26-29, 1997. **Manganese: Are There Effects from Long-Term, Low-Level Exposure?** ed: JM Cranmer, D Mergler, M Williams-Johnson. *NeuroToxicology* 1998; 19(3):443-474 and 1999; 20(2-3):139-525.

16<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Sept. 13-16, 1998. **Pesticides and Susceptible Populations: Who is at Risk and When?** ed: JM Cranmer, W Slikker, V Moser, B Weiss, M Aschner, L Costa, D Ray, BR Sonawane, *NeuroToxicology* 2000; 21(1-2):9-227.

17<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Oct. 17-20, 1999. **Children's Health and the Environment: Mechanisms and Consequences of Developmental Neurotoxicology**. ed: JM Cranmer, MA Aschner, CF Bearer, LG Costa, CT DeRosa, LR Goldman, AG Kirshner, DC Rice, BR Sonawane, HA Tilson, and B Weiss, *NeuroToxicology* 2000; 21(1-2):229-238; and 21(6):923-1155.

18<sup>th</sup> International Neurotoxicology Conference, Colorado Springs, CO. Sept. 23-26, 2000. **Children's Health and the Environment 2000**, ed: JM Cranmer, CF Bearer, CF Chaisson, DA Cory-Slechta, LR Goldman, DC Rice, W Slikker, Jr., BR Sonawane, HA Tilson, B Weiss, RT Zoeller. *NeuroToxicology* 2001; 22(5):555-722.

19<sup>th</sup> International Neurotoxicology Conference, Colorado Springs, Colorado Aug. 25-28, 2001. **Parkinson's Disease, Environment and Genes**, ed: JM Cranmer, DA Cory-Slechta, DA Di Monte, *NeuroToxicology* 2001; 22(5):829-888 and 2002; 23(4-5):435-655.

20<sup>th</sup> International Neurotoxicology Conference, Little Rock, AR. Nov. 18-22, 2002. **Emerging Issues in Neurotoxicology**, ed: JM Cranmer, WD Atchison, RA Canday, CP Lawler, RM LoPachin, DJ O'Shaughnessy, DC Rice, W Slikker, Jr.. *NeuroToxicology* 2003; 24(2):269-317

21<sup>st</sup> International Neurotoxicology Conference, Honolulu, Hawaii. February 10-14, 2004. **Infant and Child Neurotoxicity Studies: Subtle and Delayed Effects**, ed: JM Cranmer, LR Goldman, DR Mattison, DC Rice, *NeuroToxicology* 2005; 26(4-5):477-740

22<sup>nd</sup> International Neurotoxicology Conference, Research Triangle Park, NC. September 11-14, 2005. **Environment and Neurodevelopmental Disorders**, ed: JM Cranmer, M Aschner, DC Dorman, R Ladda, JS LaKind, C Lawler, ED Levin, E Miller, VC Moser, T Narahashi, IN Pessah, E Polston, SP Proctor, KR Reuhl, RF Seegal, WJ Slikker, W Suk, E Tiffany-Castiglioni, L Lang, *NeuroToxicology* 2006;27(5):637-875

23<sup>rd</sup> International Neurotoxicology Conference, Little Rock, AR. September 17-21, 2006. **Neurotoxicity in Development and Aging**, Aschner M, Cory-Slechta DA, Cox C, de Groot D, Filipov NM, Herbert M, Kane CJ, Narahashi T, Opanashuk L, Paule MG, Proctor SP, Rice DC, Seegal R, Tiffany-Castiglioni E, Valentine WM, Weiss B. *NeuroToxicology* 2007; 28(5)

24<sup>th</sup> International Neurotoxicology Conference, San Antonio, TX. November 11-14, 2007. **Environmental Etiologies of Neurological Disorders**, *NeuroToxicology* 2008; 29

25<sup>th</sup> International Neurotoxicology Conference, Rochester, NY. October 12-16, 2008. **Environmental Etiologies of Neurological Disorders: Scientific, Translational and Policy Implications**, *NeuroToxicology* 2009; 30
