

You are Invited to Submit a Paper ...

for inclusion in the peer-reviewed special issue of *NeuroToxicology* devoted to papers presented at the *Twenty-Sixth International Neurotoxicology Conference* entitled:

Unifying Mechanisms of Neurological Disorders

Every participant presenting a paper at this Conference - from platform or poster - is encouraged to submit a paper for inclusion in the peer-reviewed proceedings that will be published in a special issue of the international journal *NeuroToxicology*. Your paper may be Original Research, a summary of your presentation, a mini-Review, a Short Communication, or a Commentary.

A "Guide for Authors" is in the Packet and detailed on <http://ees.elsevier.com/neutox/>.

The length of your paper may be as long as necessary to present and support the data; 15-20 typewritten pages are average. Papers will be rapidly peer-reviewed.

••Note that the submission of a manuscript is not a guarantee of acceptance for publication in the journal. All manuscripts are subject to peer-review. Not all papers are accepted; most need revisions.••
