

NEUROTOXICOLOGY 26 SPONSORSHIP OPPORTUNITIES

Theme:

“Unifying Mechanisms of Neurological Disorders Scientific, Translational, and Clinical Implications”

June 6-10, 2010 • Portland, Oregon

Sponsorship opportunities are available for the 2010 Annual Meeting. Your sponsorship serves as visible evidence of your organization's commitment to the science of toxicology, neuroscience and public health. In addition, your sponsorship provides an opportunity for you to increase overall awareness of your organization to the neurotoxicology community both at the conference and world-wide via publication in the field's premier journal *NeuroToxicology*. In addition to receiving a complimentary copy of peer-reviewed papers published in the international journal *NeuroToxicology*, sponsors (with logos) are acknowledged in many ways via the:

- **Published Book ~ distributed world-wide**
- **Promotional Brochures**
- **Sponsor Poster**
- **Sponsor Logo Display**
- **Chairman's acknowledgement from the podium**
- **Complimentary Exhibit Table or Poster**

Your sponsorship will help offset the cost of the following functions:

- **Student & Post-doctoral Fellow Awards**
- **Young Investigator Travel Scholarship**
- **Refreshments during breaks & the Poster Session**
- **The Welcoming Reception.**
- **Invited Speaker Travel**

If you are interested in sponsorship opportunities for the *Twenty-Sixth International Neurotoxicology Conference*, please contact the Conference Chair Dr. Joan Cranmer, Telephone: 501/364-2986 or E-mail: CranmerJoanM@uams.edu.
